EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Alexander Nolte on 06/02/04.

The application has been amended as follows:

Claim 17 has been amended as follows:

17. (Amended) A method for removing contaminant particle from a substrate surface, comprising:

securing a substrate to a substrate support member with a means for securing;
actuating the substrate support member with a broadband impulse with a means for actuating, the means for actuating being in communication with the substrate support member via a semi-hemispherical reinforcement member, wherein actuating transfers the broadband impulse to the substrate;

removing particles dislodged from the substrate support with the broadband impulse with a means for removing.

2. The following is an examiner's statement of reasons for allowance: the instant examiner's amendment is made to obviate the rejection of claims 17-22 under 35 USC 112(2) made in the previous Office action. All other rejections were obviated by the applicant's response. No more relevant art was found.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Markoff whose telephone number is 571-272-1304. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Randy P Gulakowski can be reached on 571-272-1302. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
